Filing a new, additional, or re-opened claim

Apply for benefits, file an additional claim or re-open a claim online through the MyBenefits Portal at [mybenefits.dew.sc.gov](https://mybenefits.dew.sc.gov).

Create an account or log in to your existing account and click **Apply For Unemployment Insurance Benefits** on the homepage.

Receiving Notices from DEW

Within a week after applying, you will receive a Monetary Determination outlining your potential weekly and maximum benefits amounts. The maximum weekly benefit amount in South Carolina is \$326 before taxes. You will then receive an eligibility determination by mail within 21 days.

Waiting week

By law, the first week of eligibility is considered a waiting week and you will not be paid. However, you should continue to complete your weekly responsibilities including filing a weekly claim and searching for work.

Filing a weekly claim

After you apply for benefits, you must begin filing weekly claims, even while you are waiting to find out if you are eligible. You may file online via MyBenefits or by phone via TelClaim (1.866.831.1724).

Reporting wages

You are allowed to work part-time or odd jobs while receiving benefits, but you must report the money you earn when filing your weekly claim - even if you have not been paid yet.

Searching for work

You must perform at least two (2) job searches each week through **SC Works Online Services (SCWOS)**. If you do not complete this requirement, you may not receive payment. You may receive a waiver from the requirement to perform at least two (2) weekly job searches through SCWOS for good cause. Good cause includes, but is not limited to, verifiable electronic access and/or language barriers, and is determined by the S.C. Department of Employment and Workforce on a case-by-case basis and only after a claim has not been paid.
